

A Day at the Zoo

Yesterday, my family and I went to the zoo. It was sunny and warm, a perfect day for an outdoor trip. First, we saw the lions. They were sleeping under a big tree. Next, we visited the monkey area. The monkeys were very active. They jumped from tree to tree and played with each other. My little brother laughed a lot.

After that, we ate lunch at a small cafe. I had a sandwich and orange juice. My father ate curry, and my mother enjoyed a salad. Then, we walked to the elephant area. The elephants were big and slow, but they were amazing.

Finally, we saw the penguins. They swam in the water and walked on the ice. They were very cute! I took many pictures of them.

I had a great time at the zoo. I want to go again soon!
